Guidebook to walking the Cotswold Way National Trail between Chipping Campden and Bath, across the Cotswolds AONB - which includes both a guide to the route and a separate mapping booklet. The 102 mile (163km) route is described in both directions over 13 stages, of between 6 and 10 miles, depending on the existence of overnight accommodation. Camping options are sparse along the route. This guidebook is illustrated with maps and the author's own full-colour photographs. The stage-by-stage route description is accompanied by overview maps at a scale of 1:100,000 (1cm to 1 mile). A more detailed map of the Way is supplied in booklet form, at a scale of 1:25,000, slid into the back of the book. The Cotswold Way became a National Trail in May 2007, despite having been a much-loved walking route for more than 35 years. It follows the Cotswold escarpment, with dramatic and far-reaching views across the Severn Vale towards the Welsh hills, plunging down to visit honey-coloured villages, old market towns and the elegant and historic city of Bath.

**The Cotswolds** - Jane Bingham - 2010-02-18

With its gentle hills and timeless villages, the Cotswold countryside is a vision of natural beauty and rural calm, but it is also a region rich in history. In this new addition to the Landscapes of the Imagination series, Jane Bingham offers an intriguing portrait of the Cotswolds over the centuries, ranging from ancient stone circles and ruined Roman villas to the Cotswolds today, a picturesque destination spot popular with country-weekenders, tourists, and celebrities. Readers will visit fine churches and manor houses that have survived from the Middle Ages, and tour a landscape still bearing the scars of the Civil War. The home of kings and nobles since Saxon times, the region is famous for its elegant estates, such as Blenheim Palace--England's grandest stately home--while signs of the early industrial age can be seen in its mills and factories. Artists, musicians, and writers were also drawn to this rural paradise, from William Shakespeare and William Morris to T.S. Eliot and Ralph Vaughn Williams. Bingham captures it all in her charming portrait of this glorious spot in the heart of southern England.

**Isle of Man Coastal Path** - Aileen Evans - 2018-06-15

Raad ny Foillan (The Way of the Gull) is a 98 mile footpath around the Isle of Man. The route description is set out as a circuit and split into stages, with the longest walk being 15.5 miles and the shortest being 7 miles. Any fast walkers may wish to complete two stages per day, while those progressing at a more leisurely pace may decide to amble along and take in the splendid attractions along the way. Two further walks described in this guidebook, the 23 mile Millennium Way, which follows the ancient route of the kings, from Ramsey to Castletown, and the 14 mile Herring Way, which takes a more traditional route from Peel to Castletown. Both these routes cross the hills of the island's interior and can be combined to make an interesting longer walk.

#### **Ivor Gurney** - John Lucas - 2018-08-01

Drawing on biographical information, letters, reminiscences and anecdotes, John Lucas pieces together Gurney's difficult, indeed tragic life, in order to show that Gurney's poetry, while undoubtedly affected by his mental problems, his trench experiences in World War One, and his complex relationship to Gloucester, the Cotswolds and London, is the sane utterance of a deeply radicalized writer. There is no suggestion that Gurney's experiences were unique. On the contrary, they were typical, as he well knew, and as he declares in poems which celebrate the implications of comradeship. What is unique is Gurney's ability to turn these experiences into major poetry. Gurney is the greatest of all those poets who fought in and survived the war and his achievement drastically affects our understanding of twentieth century poetry.

#### **The Poetry of Clare, Hopkins, Thomas, and Gurney** - Andrew Hodgson - 2019-12-31

This book attends to four poets - John Clare, Gerard Manley Hopkins, Edward Thomas, and Ivor Gurney - whose poems are remarkable for their personal directness and distinctiveness. It shows how their writing conveys a potentially individual quality of feeling, perception, and experience: each poet responds with unusual commitment to the Romantic idea of art as personal expression. The book looks closely at the vitality and intricacy of the poets' language, the personal candour of their subject matter, and their sense, obdurate but persuasive, of their own strangeness. As it traces the tact and imagination with which each of the four writers realises the possibilities of individualism in lyric, it affirms the vibrancy of their contributions to nineteenth and twentieth-century poetry.

#### **Best Girlfriends Getaways Worldwide** - Marybeth Bond - 2008-03-18

Women's travel is a thriving niche, as our first book by travel expert Marybeth Bond amply showed. To continue serving that eager market of traveling women, National Geographic presents Best Girlfriends Getaways Worldwide. Each chapter takes off with stories of women who traveled with girlfriends to celebrate, grow, challenge themselves, or simply enjoy every moment to its fullest. They ran marathons to support favorite causes, cycled through Ireland, volunteered in Montana, overnighted at a French chateau. One woman recounts how she broke through her culinary comfort zone, telling behind-the-scenes stories of a weeklong cooking class in Tuscany. An altruistic adventurer describes her life-affirming volunteer vacation with a close friend, delivering books to schools in rural Nepal. The information-packed chapters suggest once-in-a-lifetime exotic escapes, trips to the world's best cities, cultural hot spots, places to learn and stretch your mind, canal and river trips, and great culinary getaways. Each concludes with a targeted how-to section featuring websites and contact information to help readers set off on their own adventures. Female baby boomers are not going quietly over the hill—they are roaring along the roads, waterways, and paths with style and humor. This is the book to guide them.

#### **Tales from the Big Trails** - Martyn Howe - 2021-09-02

'I am already planning the next adventure. The wanderlust that infected me has no cure.' It all started in Fishguard in the mid-1970s when, aged fifteen, Martyn Howe and a friend set off on the Pembrokeshire Coast Path armed with big rucksacks, borrowed boots, a Primus stove and a pint of paraffin, and a thirst for adventure. After repeating the route almost thirty years later, Martyn was inspired to walk every National Trail in England and Wales, plus the four Long-Distance Routes (now among the Great Trails) in Scotland. His 3,000-mile journey included treks along the South West Coast Path, the Pennine Way, the Cotswold Way and the West Highland Way. He finally achieved his ambition in 2016 when he arrived in Cromer in Norfolk, only to set a new goal of walking the England and Wales Coast Paths and the Scottish National Trail. In *Tales from the Big Trails*, Martyn vividly describes the diverse landscapes, wildlife, culture and heritage he encounters around the British Isles, and the physical and mental health benefits he derives from walking. He also celebrates the people who enrich his travels, including fellow long-distance hikers, tourists discovering Britain's charm, farmers working the land, and the friendly and eccentric owners of hostels, campsites and B&Bs. And when he is asked 'Why do you do it?', the answer is as simple as placing one foot in front of the other: 'It makes me happy.'

Cotswold Farm Park, home of Countryfile presenter Adam Henson, is also included. Featured within the guide are quirky events such as the Cheese-Rolling competition and Tetbury's Woolsack Races; numerous and distinguished breweries and micro-breweries, including the famous Hook Norton Brewery, Bath Ales, Uley Brewery and Stroud Brewery; Oxford University, the world's oldest, and the source of England's longest river, the Thames. The Cotswolds' rich and diverse man-made heritage includes many famous castles and country houses: Blenheim Palace, Sudeley Castle, Chavenage and Kelmscott; well-known abbeys such as Prinknash, Hailes; and gardens and estates including Painswick Rococo Garden, Westonbirt Arboretum and Highgrove. Roman history is covered, too, notably in Bath and Cirencester, together with the Fosse Way, one of the most important Roman roads in the country. The Cotswolds continues to endear itself to anyone who visits - its harmonious combination of quintessentially English villages, charming provincial market towns, interesting and appealing countryside and a wealth of local food-and-drink producers makes it an all-year-round destination, whether for a day trip, a quiet weekend away or a multi-week holiday. The region offers an incredible array of accommodation from unique country-house hotels to delightful farmhouse B&Bs on working farms, luxurious self-catering cottages to glamping and camping in secluded countryside. Visitors that have a particular passion or interest for gardens, the Arts & Crafts Movement, historic buildings, walking, horseriding or rural pursuits are well provided for within the Cotswolds.

#### **The Ordeal of Ivor Gurney** - Michael Hurd - 2011-11-17

First published in 1978 The Ordeal of Ivor Gurney is a moving and extraordinary account of a tragic genius penned by the composer Michael Hurd. Born in Gloucester in 1890 Ivor Gurney began writing songs and poems in his teens, taking his inspiration from the Severn Valley countryside where he grew up. Sent to the Western Front during the First World War Gurney experienced desolation and horror that made a profound impression on him.

England's finest composers. Still, it took several more decades for his work as a war poet to be fully appreciated. 'Hurd compresses into a taut, sympathetic outline the initial optimism and later torment of Gurney's ill-starred life distinguished by its crisp use of poetic extracts.' PN Review
